Employment

2007 - Present **WellFlorida Council** **Gainesville, Florida**
Chief Operations Officer
Program Director, Healthy Start

- Provide oversight and direction of the daily operational, administrative, fiscal management/accounting, and human resources/personnel activities
- Contribute to the development of WellFlorida's strategic goals and objectives as well as the overall management of the organization
- Represent the organization externally, as necessary, particularly in service contract negotiations
- Ensure that staff members receive timely and appropriate training and development
- Program Director for two multi-county community-based maternal and child health coalitions; programs include Healthy Start, MomCare, and Maternal, Infant, and Early Childhood Home Visiting; budgets for these programs exceed \$6.5 million, and the administrative portion exceeds \$1 million
- Managing and supervising work activities and conducting performance appraisals of the Healthy Start, MomCare and Maternal, Infant, and Early Childhood Home Visiting staff
- Developing two Healthy Start Coalitions' Service Delivery Plans that include conducting needs assessments of the service areas and developing strategic goals and objectives for service delivery
- Establishing and maintaining relationships with policymakers, community agencies, key stakeholders, coalition and board members, contracted services providers, and the public
- Providing staff support for two diverse member volunteer Board of Directors comprised of health professionals, agency representatives, community leaders and consumers
- Preparing and presenting contract deliverables and reports as required by the Florida Department of Health and the Coalitions' Board of Directors
- Ensuring quality service provision by developing policies and procedures and implementing continuous quality improvement techniques
- Developing and negotiating contracts for services provided under the Healthy Start coalitions
- Ensuring staff receive appropriate training and guidance needed to perform job responsibilities
- Securing funding through grants and donations, based on Coalition priorities

2011 – Present **University of Florida, College of Public Health and Health Professions** **Gainesville, Florida**
Adjunct Lecturer, Public Health Issues in Maternal and Child Health

- Designing the course
- Developing and delivering lectures
- Supervising and grading student projects and assignments
- Maintaining student records

2002 – 2007 **University of Florida, Department of Pediatrics** **Gainesville, Florida**
Maternal Child Health and Education Research and Data Center
Coordinator of Research Information

- Prepared and disseminated scholarly, research-oriented publications
- Wrote, edited and published technical reports on various aspects of maternal and child health
- Wrote and submitted applications for research grants
- Managed data sets
- Served as the liaison between Universities with graduate research programs

- Assured data management and research activities complied with federal, state and university regulations
- Secured IRB approval for research projects
- Updated security policies, procedures, and protocols
- Developed and conducted trainings for new and existing employees
