For greater detail on the meaning of letter grades and university policies related to them, see the Registrar’s Grade Policy regulations at: [http://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx](http://catalog.ufl.edu/ugrad/current/regulations/info/grades.aspx)

Exam Policy:
The final exam will be cumulative and cover all assigned readings and material discussed in class. The exam will be closed book and given during class. Students will have the entire class period to take the exam. Students who have attended class, read and understood the course readings/discussions and diligently studied the course material throughout the semester will be prepared for the exam.

Policy Related to Make up Exams or Other Work:
As a graduate level course, make up exams and late assignments will not be accepted absent extreme circumstances. Prior approvals are also required unless impossible as well as appropriate documentation of the emergency causing the conflict. Late assignments not meeting the above criteria will not be accepted or graded.

Policy Related to Required Class Attendance

Class attendance is required unless a student has a University approved conflict. Class roll is taken at the start and finish of every class. Students have assigned seats. Failure to attend class will result in a lower participation grade. Students who miss class also do not master the material as well and therefore almost always have lower exam and simulation grades.

For information regarding the UF Attendance Policy see the Registrar website for additional details: [http://www.registrar.ufl.edu/catalogarchive/01-02-catalog/academic_regulations/academic_regulations_013_.htm](http://www.registrar.ufl.edu/catalogarchive/01-02-catalog/academic_regulations/academic_regulations_013_.htm)
